Sub: Information regarding merging of Duplicate Designations in i-OSMS portal

Sir,

This is to inform you that there are some similar designations (almost similar nomenclature and same scale of pay) with more than one different designation IDs found in the master list of designations in the i-OSMS Portal. Total 79 (Seventy-nine) such types of designations have been identified. Now as per the concurrence of U.D & M.A Department those similar and duplicate designations are now merged into one designation with one designation ID in i-OSMS portal. The list of those merged designations are enclosed herewith for your ready reference.

Therefore, you are requested to take necessary steps for modification in e-Pension Portal for these merged designations, so that pension cases should not be rejected due to mismatching of those designations and designation IDs.

Yours sincerely,

Enclo: As stated
